Detailed information for Swedish applicants in ECSEL JU is available at: https://www.vinnova.se/m/horisont-2020/partnerskapsprogram/ecsel/

Legal requirements for the eligibility of a partner or a project

1) Type or nature of participants
Calls are open for public and private companies of all sizes as well as for universities and research institutes in Sweden.

2) Funding conditions
Only legal entities are eligible for funding, natural persons will not be funded. Participating companies must be registered in Sweden as a limited company (aktiebolag, AB).

3) Legal, administrative and financial conditions
Participating companies must have a stable financial status with fulfilled fiscal obligations and must be able to cover their own expenses for the duration of the project. Swedish SMEs must also show that they:
• Have an annual net turnover of 1 million SEK according to the latest annual report
• Have a minimum of three full time employees

4) Consortium configuration
The total eligible national costs of participating Swedish companies must amount to at least 50% of the aggregated eligible national costs of all Swedish participants in the project consortium.

5) Other conditions
Vinnova have a mission to contribute to sustainable growth and to strengthen Swedish competitiveness. All projects that Vinnova fund within ECSEL JU must contribute to this mission. Participating companies are required to provide a credible description of the project’s impact on the company’s technological knowledge, economic growth and future assets in Sweden. Participating universities or research institutes are required to provide a credible description of the project’s impact on the university’s or research institute’s scientific and technological knowledge base and for the positive impact on Swedish society in general. Accordingly, an impact description must be submitted by each Swedish participant together with the application (part C). A template for the impact description is available at the Vinnova website. The impact description is an important part of the eligibility check performed in the FPP phase.
