Funding opportunities in Sweden

Innovation

Innovation is more important than ever,
and we're running out of time

The world is facing complex challenges
We need innovation in the broad sense

Identify Mobilise Fund

Eureka in Sweden

COLLABORATION FOR INDUSTRIAL RESEARCH AND DEVELOPMENT

EUREKA is a programme aimed at strengthening the competitiveness of European industry on the world market and creating collaborations between companies and researchers in the participating countries. The programme finances market-oriented project for the development of new products, services and processes.

- Vinnova is the national contact authority for EUREKA in Sweden, finances and administers funding for Swedish actors.
- Vinnova offers information and the opportunity to apply for funding for Swedish participants in EUREKA project.
- Vinnova allocates around 200 MSEK per year for the EUREKA collaboration.

Clusters
