

Information for Swedish applicants

To receive funding from us, you need to follow our general terms and conditions. More information is available on Vinnova's website:

- www.vinnova.se/en/apply-for-funding/rules-for-our-funding/terms-and-conditions-for-our-funding/ (in English)
- www.vinnova.se/sok-finansiering/regler-for-finansiering/allmanna-villkor/ (in Swedish)

Size of budget

A budget of SEK 15 million has been set aside for this call on the Swedish side. Swedish project partners can apply for up to SEK 2.5 million from Vinnova. Companies seeking funding are expected to co-finance their eligible costs by at least 50 percent. Maximum aid intensity depends on the type of activity being carried out in the project. More information on eligible cost and the level of grants is available at Vinnova's website:

Two calls for cooperation with India within AI and health

In addition to this bilateral call with India, Vinnova participates in a European call for proposals for cooperation with India within AI in health through EUREKA, GlobalStars. You may apply for funding in both calls, but you can only receive funding through one of the calls. For more information about the European call, please see:
